### Complete Teryx Cab

Metal frame with tough TPO plastic outer panels (impact, scratch, and temperature resistant) • Color matched to Teryx body panels • Windshield opens for partial or full ventilation • The windows and windshield are hard coated for scratch resistance • Entire cab is removable in minutes for additional ventilation • Includes all required parts for complete "full enclosure" cab installation: metal frame, modular mount kit, windshield, rear panel and window, roof and roof brackets, color matched doors and door hinge plates

#### Teryx 750 4x4 (08-09)

Woodsman Green	TX750-032G	\$3,699.95
Sunbeam Red	TX750-032R	\$3,699.95
Black	TX750-032B	\$3,709.95

Important Notice: The side windows and doors are for weather protection. They are not manufactured, nor intended to provide protection from bodily injury during a tip over/roll over event.

### Teryx Cab Without Doors

Metal frame with tough TPO (impact, scratch and temperature resistant) plastic roof panel • Windshield opens for partial or full ventilation • The windows and windshield are hard coated for scratch resistance • Entire cab is removable in seconds for additional ventilation • Includes: metal frame, modular mount kit, windshield, rear panel and window, roof and roof brackets

#### Teryx 750 4x4 (08-09)

Woodsman Green	TX750-033G	\$2,285.95
Sunbeam Red	TX750-033R	\$2,285.95
Black	TX750-033B	\$2,299.95

### Teryx Modular Mount Kit Only

Includes all required parts to mount any and all cab components • Once the main brackets are attached, any cab component can be removed or installed in minutes without tools

#### Teryx 750 4x4 (08-09)

Black	TX750-035	\$339.95
-------	-----------	----------

### Teryx Modular Windshield and Frame Only

Includes only front windshield with metal framework • Main Cab Brackets (TX750-035) are required to attach this component • Once the main brackets are installed, windshield can be removed or installed in minutes without tools • Windshield opens for partial or full ventilation • Windshield is hard coated polycarbonate for scratch resistance

#### Teryx 750 4x4 (08-09)

Black	TX750-037	\$932.95
-------	-----------	----------

### Teryx Rear Panel and Window Only

Includes only rear panel and window assembly • Main cab brackets (TX750-035) are required to attach this component • Once main brackets are installed, rear panel installs or removes in seconds without tools • Window is hard coated polycarbonate for scratch resistance

#### Teryx 750 4x4 (08-09)

Black	TX750-036	\$709.95
-------	-----------	----------

### Teryx Roof Only

Includes roof and metal roof brackets only • Main cab brackets (TX750-035) are required to attach this component • Once the main brackets are installed, roof can be installed or removed in seconds without tools • Metal frame with tough TPO (impact, scratch, and temperature resistant) plastic roof panel

#### Teryx 750 4x4 (08-09)

Woodsman Green	TX750-034G	\$445.95
Sunbeam Red	TX750-034R	\$445.95
Black	TX750-034B	\$467.95

### Teryx Windshield Wiper

Wiper motor mounts to cab windshield • Includes quick disconnect and main switch power interlock shutoff for Teryx use • Includes "blackout" decal to cover motor area

#### Teryx 750 4x4 (08-09)

Windshield Wiper	TX750-049	\$224.95
------------------	-----------	----------
