CONCOURS[™] 14/14 ABS TRANSCONTINENTAL SUPERSPORT

Most weekend sportbike riders have their own personal favorite stretch of two-lane roads laced with flowing esses, challenging hairpins, and inviting straight-aways. Now imagine expanding the possibilities to the entire continent on the Concours 14, a sport-touring machine so complete in its mastery of the road it has earned several Motorcycle of the Year honors. Its 1,352cc digitally fuel-injected DOHC In-Line Four engine with variable valve timing leaps to the task, delivering incredible midrange torque together with a superbike-strength top-end punch – along with superb smoothness from dual balancers. Whether sport-touring by yourself, with that special someone, no gear, or fully loaded, the Concours 14 allows you to easily adjust the preload settings on the rear suspension for that perfect ride. The chassis likewise offers unparalleled command and comfort with an aluminum monocoque frame and there's an electrically adjustable windscreen, Kawasaki's Intelligent Proximity Activation Start System (KI-PASS) for "no key" starting and security, a Tetra-Lever Swingarm, detachable side cases, an accessory power outlet and optional anti-lock brakes take this a sport-touring machine to a whole new level.

No wonder all roads belong to the Concours 14.

1 Comprehensive multi-function LCD instrumentation includes a trip computer that estimates fuel mileage, plus gear-indicator and tire-pressure readouts for peace of mind. Controller Area Network (CAN) circuitry reduces complexity for improved reliability.

2 With its advanced geometry, the unique 4-link Tetra-Lever Swingarm provides the suspension response of a chain-drive sportbike with the smoothness, quietness and reliability of a touring bike's shaft drive.

3 Lockable and detachable side cases hold up to 22 pounds of gear—including a full-face helmet. The rear rack further expands storage capability with mounts for an accessory top case.

Conveniently located on the fuel-tank cover, the Concours glove box can easily hold a wallet, sunglasses, garage-door opener or other small items while you're riding.

Its generous 1.6-gallon storage capacity improves versatility. An easy-to-use centerstand improves garbaging stability and security for a fully loaded Concours 14.

Three-Year Warranty*

Your new Concours motorcycle comes with a 36-month/unlimited mileage limited factory warranty. Read the next paragraph to find out how you can extend your coverage inexpensively, or ask your dealer for details about the factory warranty and available extended coverage.

Up to Three Years Additional Coverage*

Let Kawasaki protect your new machine for years to come* with the exclusive Good Times™ Protection Plan. This plan repairs or replaces most components free of charge if found defective in material or workmanship. Everything about the plan is easy: There's no deductible. It's honored at every authorized Kawasaki motorcycle dealer nationwide. It's transferable to another owner with no fee. Just ask your dealer how you can buy extended coverage of 12, 24, or 36 months. Imagine, for just pennies a day, you can ride with no worry and no hassle. Just tell your dealer you want the Good Times Protection Plan.

* Depending on the program purchased.

Ride With Zero Down**

We offer up to 100% instant financing on most Kawasaki products with the Good Times™ Credit Plan¹ and the Good Times™ Credit Card. Qualified buyers can ride away on a brand-new Kawasaki with no down payment. In most cases, the computerized credit approval takes just minutes. You can even add insurance, accessories and the Good Times Protection Plan to your contract. Ask your participating dealer for details.

¹ Good Times Credit Plan not available in Canada.
