#### 12-Month Warranty

Your new Kawasaki KLR/KLX motorcycle comes with a 12-month/unlimited-mileage limited factory warranty. Your KLX off-road motorcycle comes with a 6-month limited warranty. Read the next paragraph to find out how you can extend your coverage inexpensively, or ask your dealer for details about the factory warranty and available extended coverage.

#### Up to Four Years Additional Coverage\*

Let Kawasaki protect your new KLR/KLX machine for years to come! with the exclusive Good Times™ Protection Plan. This plan repairs or replaces most components free of charge if found defective in material or workmanship. Everything about the plan is easy: There's no deductible. It's honored at every authorized Kawasaki motorcycle dealer nationwide. It's transferable to another owner with no fee. Just ask your dealer how you can buy additional coverage of 12, 24, 36 or 48† months. Imagine, for just pennies a day, you can ride with no worry and no hassle. Just tell your dealer you want the Good Times Protection Plan.

\* Depending on the program purchased.

#### Ride With Zero Down\*\*

We offer up to 100% instant financing on most Kawasaki products with the Good Times™ Credit Plan† and the Good Times™ Credit Card. Qualified buyers can ride away on a brand-new Kawasaki with no down payment. In most cases, the computerized credit approval takes just minutes. You can even add insurance, accessories and the Good Times Protection Plan to your contract. Ask your participating dealer for details. Not Available in Alaska or Hawaii.

† Good Times Credit Plan not available in Canada.

\*\*Qualified buyers.

#### SAFE RIDING'S MORE FUN

Ride responsibly. Kawasaki believes safety begins with us and continues with you. Always wear a helmet, eye protection, and proper apparel. Passengers, too. Ride defensively. If riding off-highway, use authorized areas only. Obey the Basic Speed Law. Never ride under the influence of drugs or alcohol. Riding is more fun on a well-maintained motorcycle...follow the instructions in your owner's manual. Remember, riding safe is smart.

Specifications subject to change without notice. Availability may be limited. Always wear a helmet and appropriate apparel. Call 1-800-446-9222 for the Motorcycle Safety Foundation beginner or expert course near you. You won't even need a motorcycle—your course sponsor will provide one courtesy of your local dealer.

## KLR650

Say good-bye to the city on the Kawasaki **KLR™650** motorcycle anytime you want. Fully equipped to master the daily commute, its heart is really found in weekend adventure touring, where the powerful and rugged 651cc liquid-cooled Single engine simply shines. With the big tank topped off and the rack and accessory packs loaded with gear, you can choose just about any destination, from the Alaska Highway to Key West. And when asphalt turns to dirt, so much the better —because the KLR650 is also fully equipped for off-road adventure. Good-byes never looked so good.

- 1 The KLR650 is ready for adventure with a large, lightweight alloy cargo rack that's engineered to accept an accessory tall trunk. Other available Genuine Kawasaki Accessories include tankbags, handlebar bags and saddlebags.
- 2 Instrumentation features an easy-to-read speedometer along with a tachometer, odometer, tripmeter and water temperature gauge. The instrument panel is mounted to the frame to promote a lighter steering feel.

## KLX250S

Inspired by our championship-winning KX™250F motocrosser, the Kawasaki **KLX™250S** motorcycle offers amazing off-road performance together with complete street equipment that makes it highway legal in all 50 states. Thumb the electric starter and the 249cc DOHC liquid-cooled Single engine instantly awakens. Then click the 6-speed transmission into gear, slip the clutch and head towards the nearest trailhead, where the long-travel KX-style inverted fork, UNI-TRAK® rear suspension and high-tensile perimeter frame were really bred. Now, if you could stay there and ride forever.

- 1 Revised damping rates and reduced travel for the 43mm inverted fork improve straight-line stability and cornering feel, while also lowering seat height. Dual-piston brake calliper and 240mm petal disc allow quick stops.
- 2 Digital speedometer, 13,000-rpm bar-graph tachometer, dual trip meters and clock highlight the KLX250S Instrument panel. The crisp backlit LCD display helps ensure quick reference to essential information—on the highway or off-road.

**Color Options** | Lime Green or Sunbeam Red

## KLX250S

### SUPER SHERPA

Meet the **Super Sherpa™** motorcycle from Kawasaki. With lightweight handling, responsive performance and terrific fuel economy from its 249cc air-cooled Single engine, it's proof positive that efficiency and fun go together.

**Color** | Olive Green/Ebony

Olive Green/Ebony

- 1 Wide 17-inch front and rear wheels, together with front and rear petal rotors and an upgraded 300mm front disc brake, give the new KLX250SF both attitude and ability.
- 2 Large, stable tread blocks give the low-profile radial sportbike tires fantastic grip on the street, while the 17-inch wheel sizes let KLX250SF owners choose from a wide range of aftermarket rubber.

## KLX250SF

Bring on daily life, the places you have to go and all the bumps and potholes along the way. The all-new **KLX™250SF** motorcycle is ready to rule with its unique combination of dual-sport engineering and special street-smart components. Using our proven electric-start KLX250S as a basis, the KLX250SF adds 17-inch wheels, larger front disc brake, radial sportbike tires, and lowered suspension to help you master city streets. Add in pavement-friendly gearing and aggressive new bodywork, and the KLX250SF becomes just about the best way for dealing with daily life—and having fun while doing it.

**Color** | Ebony
